Serial Nos. Revd 1 (12)

Part B for August 1926

SUBJECT

Offer of a sum of Rs 25000/- by Dr. M. L. Nagabhushanam of Chickmagalur for opening of a dispensary for women and children at Chickmagalur.

Sl 12 To The Senior Surgeon,
The D.C. & President Dist. Board Kadur
The Chief Engineer,
The Comptroller to Govt.
No S986-7/-8317-1926

Directed that the women's section of the combined hospital at Chickmagalur be transferred to its former habitation with the necessary staff and equipment and that a sum of Rs 5000/- out of the endowment be used for constructing a maternity ward to be called after the donor's mother Dr. Lakshmiamma.

Rs 500

2 The Womens hospital at Lilli Magalur was shifted to the Bl Hospital building according to the ~~Memo~~ scheme approved in G.O.No. 6652-61/Med 120-20-3 dated the 12th May 1922. The system ordered in the G.O dated 12th May 1922 is in Vogue in all the Bl Head Quarters. The request of the Donor to ~~accept~~ revert to the old system of separate institutions for men & women's for orders.

(2) It is a point for consideration whether the institution can be named after the donor, as desired, as only a portion of the cost is proposed to be met from the interest on the endowment. This is also for orders.

(3) The ~~question~~ proposal to name one of the buildings after the donor's mother

NOTE—Contn. Sheet

Serial No.

may perhaps be accepted as the donor is prepared to set apart the sum of Rs 5000/- for specially a maternity ward.

2) Subject for orders. The Collr. will be asked to see the donor also, as 2/4/26 called for.

Collr.
2/4/26

Secy

3) Secy 3/4

4) I think the offer is a very generous one and nothing short of absolute impossibility in accepting the conditions to which it is subject should prevent its being accepted by Govt. Conditions (2) and (3) (naming the Hospital after the donor's father and the Lying in Ward after her mother) may be accepted without hesitation. The only doubtful condition is No 1 regarding the separation of the Women's Hospital from the Males. The present system of combining the two was adopted after consideration. But then the main reason why it was adopted was that the Lady Medl. Officers in charge were not of very high qualifications and could not perhaps be trusted to be in independent charge. If a highly qualfd.

NOTE—Contn. Sheet

Serial N.

Lady Med. Officer is sent to Chickmagalur
this reason disappears. And it will be possible
for Govt to send such a Med. Officer as
they are shortly going to entertain three European
qualified lady Asst Surgeons. Before finally
deciding the matter, the S.S. and the Resident
& B.d. may be consulted in the matter of the
seperation of the two posts.

(and the Chickmagalur Mun. Council)

This also possible that Govt
may have to find quarters for the Lady Med.
Officer as the building in which the Hospital is
proposed to be shifted is being used now as her quarters
The S.S. may be consulted on this also.

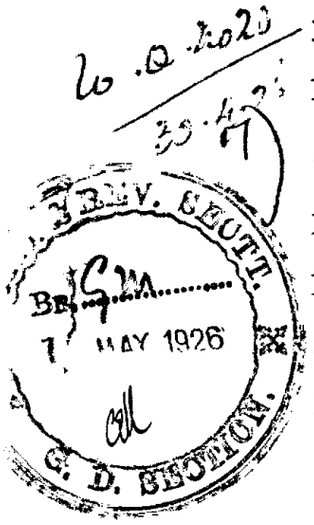
File No. 4613[illegible] dated (5)



I whole heartedly support the recommendation of the Deputy Commissioner for the acceptance of the offer of Rs.25,000 made by Mr. Nagappa Setty of Chickmagalur, Rs.2,000 for the construction of a new Labour Ward and Rs.20,000 as a permanent endowment, the interest accruing, being used towards maintenance charges of the institution.

2. What I do not, however, understand is the condition attached to the gift, viz., that the institution should be "brought back to the old building, now used as the residential quarters of the staff." This proposal, if accepted, will strike at the very root of the scheme sanctioned in Government Order No L.6652-61/Med. 120-21-3, dated 12th May 1922.

3. The combination of the District Head Quarter Female Dispensaries with the District Hospitals had for its sole object the enhancement of the usefulness of the former and of the women's section of the latter to female patients by securing for the female in-and out-patients' departments at the District Hospital, the services of a lady doctor and the co-operation of the entire staff of the District Hospital.

4. However highly qualified the Lady Doctor posted to the institution may be, she cannot singly, or even with the help of a Lady sub Assistant Surgeon, which is a remote contingency, be expected to do any high class operative and other Gynacological work. She will have to depend on the help of the male staff attached to the District Hospital, including the District Medical Officer, who is an experienced officer of the Surgeon's Grade, otherwise the work turned out will be of a very inferior order, not justifying the posting of a highly qualified Lady Medical Officer.

6/

5. This scheme was first given effect to in Shimoga as far back as 1906, when I got the Female Dispensary shifted to the District Hospital premises and the benefits of the system were realised in the shape of efficient and prompt treatment to female patients and it has been found to work quite smoothly. As far as I am aware the combined system is working satisfactorily in all the District Hospitals.

6. All that the donor wants is, apparently, the provision of exclusive arrangements whereby women patients could seek and obtain necessary attention without the interference of contact of male patients. This is quite possible of achievement by making necessary structural alterations in the existing Hospital building or putting up additional buildings, for wards, etc., in the premises, without shifting the Female Department entirely to a different place as now proposed by the Deputy Commissioner.

7. I therefore earnestly request that the Deputy Commissioner may kindly be instructed to explain to the Donor how his object could be secured to the best advantage of female patients by making necessary structural alterations and putting up additional Wards, if necessary, within the Hospital premises. There will be no objection to name the Wards after his parents, as desired. By agreeing to this, he will not only realise his own object, but will also enable the Government in the Education Department to carry out a most urgently needed improvement of the Hindustani Girls' School, which if carried out, will in its turn bring in from certain Planters interested in that school, more funds for the improvement of the Hassan District Hospital.

8. I cannot understand how, the Deputy Commissioner in his letter No. dated , could once strongly recommend the transfer of the old female dispensary building for theuse of an Ayurvedic Dispensary, thereby

thereby assuming that the needs of the female patients resorting to allopathic treatment were adequately met by the combined District Hospital, and could now think that the existing arrangement was not satisfactory and attempt its improvement by shifting the female department en bloc to the old Female Dispensary building, when the latter is proposed by Government to be handed over to the Education Department, vide attached copy* of my letter No.C.2292-26 dated 15th April 1926, addressed to the Chief Secretary to Government on the subject.

Bangalore,
16th April 1926.

Senior Surgeon.

* Letter No.2292-26 dated 15th April 1926.

With reference to your Memo No. E. 4224/Edn.19-24-157, dated 13th February 1926, I have the honour to forward herewith a copy of letter, dated 30th March 1926, from the Secretary, Muslim Planters' Association, Chickmagalur, enclosing copies of Mutchalikas (originals said to have been sent to the Inspector General of Education) executed by the owners of two bungalows agreeing to rent out the buildings for the use of the Lady Doctor and Nurses of the District Hospital, for Rs.30/- each, per mensem, and to state that I have personally seen the buildings, which, with slight alterations, could be made to suit as quarters for the lady Assistant Surgeon and the Nurses of the Hospital. They are at a convenient distance from the hospital.

If these buildings could be secured for the use of the Medical Department, as quarters for the Lady Assistant Surgeon and staff Nurses, there is no objection to hand over the old Female Dispensary building to the Education Department for the location of the Hindustani Girls' School, the shifting of which from its present insanitary locality seems to be pressing.

I request the favour of very early orders, as the owners of the buildings want a bargain to be struck as soon as possible, as they are reported to have other offers for the same.

LetterNo. 139 dated 30th March 1926 from the Secretary, Muslim Planters' Association,Chickmgalur, to the Senior Surgeon in Mysore.

With reference to Government Order No.E.4224 Edn.dated 13th February 1926 to your letter No. C.2292-13, dated 3th/ 9th January 1926 in the matter relating to the shifting ofthe Urdu Middle School, Chickmagalur, from its present unhealthy locality to the Old Female Dispensary, Chickmagalur, I most humbly and respectfully beg to inform you that two buildings in very good condition are available for being used as quarters for the Medical staff and that I have taken in writing the determination of the owners of the two buildings that they are prepared to rent out their buildings on Rs.30/- each a month respectively and I herewith submit the two copies of the originals submitted to the Inspector-General of Education in Mysore,Bangalore, for your kind perusal and favourable orders.

Copy of letter from C.A.Srikantiaya, retired Treasurer, Chickmgalur, addressed to Mr. A. Md.HUssain, Secretary,Muslim Planters' Association, Chickmagalur, dated 19th March 1926.

Dear Sir,

As requested by Mr. Abdul Aziz, I am willing to rent out my building and premises on the Avenue Road, Chickmgalur, for the occupation of Medical staff in case the Medical Department will let out their Female Dispensary quarters for the location of Urdu Middle School.

I require a monthly rent of not less than Rs.30/- and the occupation of the building for two years.

As I have other demands and ideas of improving the building I request that a reply may be kindly given as early as possible.

Letter dated Chickmagalur,17th March 1926 to Sahukar Arehalli Mahmad Hussain Saheb from Mr.H.V.Dasappa,Chief Officer Chickmgalur.

"COPIES."

(9) I am afraid the gift cannot be accepted before the Question of the location of the Female dispensary is definitely settled. The Donor was here a few days ago and I understood from him that the separation of the male & the female dispensaries was a necessary condition to his endowment. It is possible, however, that he may agree to the suggestion made by the S.S. Viz making structural alterations in the present buildings so as to secure privacy to the female dispensary. The D.C. may be asked to speak to the Donor and communicate his views.

Pshkn of 21.5.26 from Mr. Nagappa Setty in respect of the donation of Rs. 25,000 offered by him in connection with the female dispensary at Chickmagalur.

2. As stated by the Member-in-charge above, a reply has been made to the Dep. Cr. and his reply has not yet been received. In the meanwhile Mr. Nagappa Setty has rescinded the above pr. from which it will be seen that he is rather particular about locating the female dispensary separately from the Male's in the building suggested by him.

3. I have already noted in para 4 that, in view of the high qualities held by doctors whom we have been able to secure recently, undue prominence should not be given to the policy of combining the male & the female dispensaries and that a scheme of a separate dispensary for ladies had its own advantages.

4. Mr. Nagappa Setty says that it is doubtful if the D.B. of the Municipality will agree to give the building for the Hindu-Stanis Girls' School. In case they are willing and as a result of it being given for the dispensaries, a new building has to be secured or built for the Girls' School, he said he was willing to contribute about Rs. 2500 for the purpose.

Final Note by the First Member of Council. (244

Subje...

Endowment of Mr. Nagappa Setty of Chikmagalur in connection with the local hospital for women and children.

Prior to 1922, the Women's hospital at Chikmagalur was located in a building separately from the District Hospital, but in accordance with the policy approved by Government in their Order No.I.6652-61/Med.120-21 3 dated the 12th May 1922, it was shifted to the District Hospital so as to form a part of it.

Mr. Nagappa Setty, Coffee Planter, Chikmagalur some time ago offered an endowment of Rs.25,000 for the Women's Dispensary and Hospital, subject to the following conditions:-

x & its enclosure

(i) That the Women's section be transferred from the District Hospital to its original place so as to be independent of the latter;

(ii) that it should be named after his father, Mr. Lachia Setty, and

(iii) that one of the wards therein be named after his mother, Rukminiamma.

As regards the first condition, it is to be noted that it is a departure from the policy approved by Government in 1922. That policy was based, however, on the facts that at that time, competent Lady Medical Officers were not available for being posted to Women's Hospitals at District Headquarters and that in order to secure for the Women's hospitals the services of qualified doctors, the combination of the Women's hospital with that of the men's was more or less a necessity. But of late, we have been getting quite a number of lady medical officers wi European qualifications and there is now not the same urgent need for the combination. In the present case, we have already sent a qualified lady medical officer to Chikmagalur and there is therefore no inconvenience in locating the Women's dispensary separately from the men's.

As regards the second condition, viz., calling the dispensary after the name of the father of the donor, it would not be strictly correct to do so since the endowment does not cover the entire cost of the

institution. In view, however, of the fact that the endowment itself is large and such generous offers should be encouraged the objection may be waived. Since Rs.5,000 out of the endowment is for constructi the ward, the third condition may also be accepted.

Mr. Nagappa Setty has also agreed to pay a sum of Rs.2,000 towards a Hindustani Girls' School at Chikmagalur. This is on account of the fact that there was some idea of locating the local Hindustani school in the building now going to be utilised for the Female dispensary.

In the circumstances narrated above the endowment has been accepted with the Dewan's approval.

Mr. Nagappa Setty has paid the sum of Rs.25,000 and the Senior Surgeon has been requested informally to arrange for shifting the hospital to its old premises. It is now proposed to issue formal orders regarding the transfer. A draft order to this effect is placed in the file.

These papers are now submitted for the gracious perusal of His Highness and approval to the action taken and proposed to be taken.

K. Chandy.

OFFICE OF THE DEPUTY COMMISSIONER,
KADUR DISTRICT.

Dated Chikmagalur, 6th April *192* 6.

ENC.

FROM
G.B.Heblikar, Esq., B.A., LL.B.,
Deputy Commissioner,
Kadur District.

To
B.Nagappa, Esq., Bar-at-Law,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

SIR,

I have the honor to forward herewith copy of a letter dated the 5th instant from Mr.M.L.Nagappa Setty, Merchant and Coffee Planter, -- Chikmagalur, offering a sum of Rs 25,000/- for the opening of a -- Hospital for Women and Children in the Chikmagalur Town.

2. Mr.Nagappa Setty has offered this sum for a Hospital for Women and Children at Chikmagalur on condition that it is named after his father, Mr.Mysore Lachiah Setty, that one of the Lying-in Wards -- of at least two beds is named after his mother Mrs.Rukminiamma and that the Women's Section of the Chikmagalur General Hospital is made an independent unit and brought back to the old building which is now being used as her residential quarters by the Lady Medical Officer.

3. In presenting his letter to me in person, Mr.Nagappa Setty told me that the building which was originally built and till recently used as the Female Dispensary was very convenient to the women-folk of the town for the following reasons:-

(1) It was specially built to be used as a Female Dispensary.

The

(2) The in-patients can be kept away from out-patients.

(3) There are two kitchens in the building which can be separately used by in-patients of different -- castes.

(4) There is separate accommodation and exit and ~~entrance~~ entrance for Gosha women.

(5) Men cannot go to the building except when they --- accompany their women folk.

(6) The building is conveniently situated both for the -- towns-people and villagers being in the heart of the town.

(7) There are quarters for Nurses and Mid-wives in the -- compound which is a very spacious one.

4. I agree with him and recommend that his munificent offer be accepted for the following reasons:-

1. The separation of the women's section from the male section of the General Hospital will not involve any additional expenditure to Government;

2. No new buildings need be erected for this purpose:

3. An independent Hospital for women and children will be more popular than the combined Hospital;

4. There will be no loss in efficiency as the Government have already directed that a Lady Doctor of --- high qualifications should always be posted to this District and that she should have a Lady -- Sub-Assistant Surgeon under her. (vide Government orders No.L.1961-66/San.10-24-42 dated 11th -- September 1925 and L.2160-61/Medl.33-25-2 dated 18th September 1925). I understand that the -- Senior Surgeon is already taking steps to appoint a female compounder to this Hospital.

5. In the interview, Mr.Nagappa Setty gave me to understand that he would be prepared to contribute more liberally towards the Hospital if the step taken by him will be justified by results.

6. There is a proposal to transfer this building to the - Education Department. But it will have to be dropped if this -

(32

offer is accepted and the Female Dispensary is retransferred to its old place.

7. I invite your attention to the last para of Mr.Nagappa Setty's letter and solicit early orders.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Kadur District.

K.L.N.

Copy of letter dated 5th April 1926 from Mr. M. L. Nagappa Setty, Merchant and Coffee Planter, Chickmagalur to the Deputy Commissioner, Kadur District.

======

Till quite recently the local Hospital for Women & Children was located in a very convenient and centrally situated two storyed building spacious enough for inpatient wards with an extensive compound and suitable outhouses which were being used as quarters for nurses and midwives near the Munsiff's Court building. On account of the privacy afford large numbers of ladies -ghosha and otherwise, were frequenting the hospital and benifitting by that institution.

About a year ago, however, for reasons which are not obvious this hospital was shifted from its original home to the District Civil Hospital and is located in a few rooms thereof, the former very spacious building being used as the Lady Apothecary's quarters. Under the altered conditions not only are the ladies and children made to walk a longer distance to attend the hospital but are also deprived of the privacy which the previous building afforded. Furthermore the accommodation is somewhat limited much to the inconvenience of both the male and female sections of the hospital.

I am anxious that better facilities should be -- afforded to the ladies and children of the locality receiving adequate treatment and that suitable arrangements made for adding a Labour Ward to the hospital. I am also desirous of setting apart some money as an Endowment in the name of my beloved parents and with this object in - view I beg to place before you the following proposal for kind acceptance.

If Government will be pleased to remove the Women

and Children's Hospital to its original place and name the hospital after my beloved father Mr. Mysore Latchiah Setty, I am prepared to endow a sum of Rs 20,000/- (Rupees twenty thousand) the interest accruing therefrom being utilised towards augmenting the current dispensing expenses of the hospital.

As a great deal of difficulties are at present experienced for want of a Lying-in-ward I am also prepared to construct as an additional annexure to the building that now exists a labour ward at a cost of about Rs 5,000/- (five thousand) to afford facilities for maternity purposes, or to place that amount at the disposal of Government for the construction of a suitable building for that purpose in the same spacious compound. This Ward may be named after my mother Mrs. Rukmaniamma.

I may also be permitted to suggest for further popularising this very useful institution that instead of a male compounder a female compounder may be employed, and if possible the establishment may further be strengthened by appointing a lady Sub Assistant Surgeon to assist the lady Superintendent of the Hospital.

I shall feel highly obliged if you could see your way to place this humble proposal of mine before our benign Government with your valuable recommendation for their acceptance.

I must however add that I cannot keep this offer open very long and I shall therefore feel grateful if you could arrange to secure the kind acceptance of my offer before the end of the current official year.

OFFICE OF THE DEPUTY COMMISSIONER,
KADUR DISTRICT.

Dated Chikmagalur,...21st...May.....192 6.

FROM

G.B.Heblikar, Esq., B.A., LL.B.,
Deputy Commissioner,
Kadur District.

R.Ranga Rao, Esq., B.A., B.L.,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Medical and Agricultural Departments,
Bangalore.

SIR,

With reference to your letter No.G.9126/Medical.119-15-2 ---- dated the 14th May 1926, I have the honor to state that as desired in your letter I personally explained to Mr.Nagappa Setty, Chikmagalur, -- the views of Government and requested him to consider the proposals made and give me his opinion in writing. He has accordingly submitted to me the enclosed letter wherein he requests that his prayer for the separation of the female section of the Hospital from the General --- Hospital, Chikmagalur, and its location in the old Female Dispensary may be favourably considered for reasons explained therein.

2. I gather from para 6 of the Senior Surgeon's unofficial -- note dated 30th April 1926 that he is under the impression that the -- proposal to shift the female department to a different place was ---- emanated from me. In fact, I merely forwarded Mr.Nagappa Setty's -- letter and said that I generally agreed with him.

3. I may add that from the drift of the discussion I had with

Mr.

Mr.Nagappa Setty, I gather that he will withdraw his offer if Government do not favourably consider his prayer. He has asked me to request you to obtain very early orders of Government.

I have the honor to be,

Sir,

Your most obedient servant.

S B Deobudkar

Deputy Commissioner,
Kadur District.

K.L.N.

Presented in person to Deputy Commissioner by Smt. Sinha 21-5-24

The Deputy Commissioner,

Kaira District.

Sir,

With reference to our personal conversation about the proposal to continue the female dispensary and maternity ward in the main building, I have the honour to state as follows :-

My object in offering a sum of Rs.25,000/- was, to make the female hospital an independent unit quite unconnected with the male section of the General Hospital as Indian ladies and respectable women do not care to go to the hospital which is manned by medical men. They would rather silently suffer at home than expose themselves to the gaze of men unconnected with their affairs. I believe, this is the reason why in the Native States and elsewhere separate hospitals have been established for females and Zenanas.

Government have already ordered considerable additions to the female section of the General Hospital at Nadiad. As no outside help is expected for this outlay and as the object I have in view will be defeated and not helped by this, I request Government to utilise another sum from the Female Hospital Fund, that the same may be available for the female hospital at Nadiad which I hear is in need of funds.

As a general observation, I have found that respectable ladies do not avail themselves of the help of medical relief in the combined hospital as they used to, before the amalgamation, for instance, the ladies of the house have never come to the hospital since the female dispensary was shifted from its original place. Within the last three months, the lady doctor has been called in, a number of times to my house. As many would not at all go for visits to their residences and in all the interests of economy at this medical relief essentially for women should, the only course to be adopted is to find a place for them within the old hospital premises, only as seen will be the best. It will thus be seen that the object for which the money is offered will not be achieved if the women have to go to the General Hospital for treatment.

I have seen the women's hospital and I consider it entirely unsuitable as a part of the General Hospital. It may be argued that the General Hospital is, that the sanitation is not satisfactory and suffering women object going to the hospital, because they have to pass through the male wards and there is no Sub-assistant available for this work. It is also difficult to be sure of a lady doctor available for the patients in the Female Hospital. I have my doubt that the District Medical Officer will have time to attend to the female patients, if his attention is required in the Medical Officer in charge. As the lady visitors to the Civil Hospital have to pass through the wards in charge of the male doctors in Hospitals in Bengal and Bombay, I fail to see how it will be in any way different in the case of purely female hospitals and female doctors who handle gynaecological cases as more common.

A combined dispensary may work with many evils in those places where there are surgeons in charge as poorly qualified lady doctors to assist them. There need not be a combined dispensary where Government have previously tested lady medical officers who can well qualified and skilful surgeons. It does not at all the reason that that system should be continued in places where they are not sufficiently advanced to avail themselves of the services of male doctors and where Government have in consequence, no

50

Merchant and Coffee Planter,
Chikmagalur.

To

R.Ranga Rao, Esq., B.A., B.L.,
Secretary to Government,
Medical & Agricultural Departments,
B a n g a l o r e.

Sir,

I beg to enclose herein copy of my application presented this day to the Deputy Commissioner, for forwardal to Government in reply to their enquiry received recently in connection with the establishment of an independent Women's Hospital at ------ Chikmagalur.

As I have already explained to you in person, I have definitely expressed my views in the matter as you will see therefrom.

I hope therefore, that you will kindly use your good -- Offices to further the noble cause I have now undertaken and expedite early favourable orders of Benign Government on the -- points raised.

I beg to remain,
Sir,
Your most obedient servant,

M.L.Nagappa Setty

Chikmagalur,
21st May 1926.

The Deputy Commissioner,

Kalar District.

In reference to our personal conversation regarding the proposal [illegible] the female dispensary and [illegible] in the same building, I have the honour to state as follows :-

My object in offering a sum of Rs.25,000/- [illegible], to make the [illegible] hospital an independent unit quite unconnected with the [illegible] ation of the General Committee Indian Quarter, principally for [illegible] must be stable income to [illegible] to this hospital which is [illegible] by Indian [illegible]. My object in this all-important matter of [illegible] that people themselves to the [illegible] unconnected with [illegible] selves. I believe, that [illegible] to succeed in [illegible] interests have been established in Karachi and [illegible].

Government have already [illegible] objection to the [illegible] formation of the General Committee of which [illegible] actual help is expected for [illegible] they [illegible] object [illegible] Location will be [illegible] at present [illegible] this, I [illegible] to. [illegible] Indian [illegible] to show [illegible] more [illegible] on this [illegible], [illegible] this [illegible] for [illegible] which I have in mind of Kalar.

For personal [illegible] long, [illegible] first [illegible] Indian [illegible] not until the [illegible] [illegible] of medical [illegible] [illegible] General Committee [illegible], [illegible] [illegible] [illegible], the [illegible] of [illegible] [illegible] [illegible] the female [illegible] [illegible] [illegible] [illegible]. [illegible] [illegible] last [illegible] [illegible], [illegible] [illegible] [illegible]

highly qualified Lady Doctors. I think there is no justification in saying that Lady Medical Officers are unfit to undertake normal operations on account of their sex. It is a statement which no reasonable man will in these times accept. There will be a training in University degrees required to govern if there are different standards of efficiency for men and women graduates.

Sir, I may be excused for saying all this rather bluntly. I had to do it to make my intentions known to the Indian Government, so that they might know under what difficulties the poor people in the mofussil live.

I also hear that Government proposes to hand over the Lady Medical Officers quarters to the Education Department for locating the Industrial Girl School. I am under the impression that this building will be unsuitable in every respect for that purpose.

I trust either the Municipal Council will allot the necessary funds to be spoiled by making the proposed wells of the building and the Education Department finds funds for it. I do not know whether the consent of the District Board and Municipality for the building jointly with the Government has been obtained for the transfer. I believe that the Board is to lend Rs.[illegible] towards the necessary in this building, in consideration of its being located at [illegible]. As you know, Mr. Certain Mr. Krishna Rao's estimate was Rs.30,000/- for the main building only.

It is a matter for consideration if Government portion there will be necessary to reduce the donation by the extent of Rs.[illegible]/- in order to make the building available for the Education Department.

Sir, you may perhaps be disposed to say that, [illegible] for the Lady Doctor this scheme with a view to secure for the Municipality the benefit of the Hospital. I must plead that I have [illegible] the Municipality -- staff of the Hospital [illegible]. [illegible] the truth, that their utility will be further enhanced and not endangered if my humble offer is favourably accepted by Government.

I hope, I have made myself sufficiently clear. In conclusion, I once again beg to request the favour of an early reply to my letter dated [illegible] for the establishment of a Lady Doctor at the Hospital at Chikmagalur.

I have already explained to you, in person that it will be my endeavour to keep [illegible] for the Lady Doctor's quarters as it is in future.

Yours sincerely,

Sd/- M. L. Rajappa Setty.

To

The Secretary to Government,

Medical & Agricultural Departments.

Sir

With reference to my donation of Rs.25,000 for a separate Female dispensary at Chickmaglur, I understand that there is some idea of shifting the present Hindustani Girls' School to that building and that this to some extent would interfere with the acceptance of my donation. I do not know if there is any real necessity to shift the Hindustani Girls' School from its present building to the old female dispensary building. If on account of the latter building not being utilised for the Girls' School in connection with my endowment, it becomes necessary for Government or other authority to construct a new building for the Girls' School, I beg to state that I shall be prepared to make a contribution therefor not exceeding Rs.2,000.

I remain,

Yours sincerely,

ORDER No. G10191-5

Dated 8th June ~~May~~ 1926.

Mr. Nagappa Setti of Chikmagalur has promised an endowment of Rs. 25,000 for a Maternity Ward and for additional facilities for the -- Women's Hospital at Chickmagalur, provided that (1) the Women's Hospital is kept separate from the Men's and located in the present Lady Doctor's Quarters, (2) the new institution is named after the donor's father, (3) at least one of the lying-in-wards of the institution is named after his mother. He further promises to contribute the sum of Rs, 2,000/- towards the cost of the construction of a Hindustani Girls' School, if one is arranged to be ~~so~~ constructed at Chikmagalur within the next two years. The Deputy Commissioner recommends the acceptance of the offer on the conditions proposed. The Senior Surgeon, however, prefers the continuance of the present arrangement, viz., the maintenance of a combined Hospital at Chikmagalur, the Lady Doctor's quarters ~~being used~~ may be required for a Hindustani Girls' School at Chickmagalur.

Partly because such Combination will secure the services of the male doctor & the female dispensary and partly because

2. Government consider that as a qualified Lady Assistant Surgeon is posted to Chikmagalur and the intention of Government is always to post a properly qualified lady Medical Officer to the place, cases requiring the help of male doctors would be ~~very~~ rare and the need for continuing a combined institution as at present would not be ~~very~~ insistant. They are accordingly pleased to direct that the offer of Mr. Nagappa Setty, ~~subject to the conditions mentioned on him~~, be accepted, with thanks, and the endowment be received as deposit in the Government Treasury at once and the fact reported to Government.

As it will be incorrect to call the Hospital after the donor's name so long as the whole cost is not borne by the donor, a tablet may be put up mentioning the donation and words as may be decided by the D.C. in consultation with the D.

The

56

the names of the donars father & mother respectively,

3. The Senior Surgeon is requested to submit, very early, proposals for the utilisation of the endowment and for retransfering the women section of the General Hospital to the building under reference. Plan and estimate for the provision of a Maternity Ward in connection with this institution may be submitted, in consultation with the Chief Engineer, for the approval of Government.

4. The offer of a contribution of Rs. 2000/- for a Hindustani School made by Mr. Nagappa Setti is noted. ~~This Question may be separately dealt with~~.

may also be accepted if a new Hindustani Girls School be built within 2 years.

Letter No.C33 L.D.25-27 dated the 6th April 1927 from the Deputy Commissioner, Kadur District, forwarding a copy of a letter dated the 5th April 1927 from Mr.K.S.Devappa Setty, Merchant and Coffee Planter, Chikmagalur, offering on certain conditions a sum of Rs.20,000/- in connection with the dispensary for women and children at Chikmagalur and recommending that the offer be accepted.

2. Correspondence ending with letter No.L.D.C33 of 1927 dated the 21st May 1927 from the same officer, forwarding copy of a letter from Mr.Devappa Setty requesting that his prayer for the separation of the women section of the hospital from the General Hospital, Chikmagalur, and for its location in the Master's dispensary building now used as the Lady Doctor's quarters may be favourably considered.

3. Letter dated 28th May 1927 from Mr.Devappa Setty to the effect that if the shifting of the Female Dispensary and hospital to the building proposed by him makes it necessary for Government to incur expenditure in providing a suitable building for the Mahishasuri Girls School at Chikmagalur, he would be prepared to contribute a sum not exceeding Rs.2,000/- for the purpose.

Order No. G 10191-5 of Med 119-25-5

Dated Bangalore, the 8th June 1927.

Mr.Devappa Setty of Chikmagalur has promised an endowment of Rs.25,000/- for a Maternity Ward and for additional facilities for the Women's Hospital at Chickmagalur provided that (1) the Women's Hospital is kept separate from the Men's and located in the present Lady Doctor's Quarters, (2) the new institution is

named after the donor's father and (2) at least one of the lying-in-cards of the institution is named after his mother. He further proposes to contribute the sum of Rs.2,000/- towards the cost of the construction of a Minicoy Girls' School, if one is arranged to be constructed at Chickmagalur within the next two years. The Deputy Commissioner recommends the acceptance of the offer on the conditions proposed. The Senior Surgeon, however, prefers the continuance of the present arrangement, viz., the maintenance of a combined hospital at Chickmagalur partly because such combination will secure the services of the male doctor to the female dispensary and partly because the Lady Doctor's quarters may be required for the Minicoy Girls' School at Chickmagalur.

3. Government consider that as a qualified Lady Assistant Surgeon is posted to Chickmagalur and the intention of Government is always to post a properly qualified Lady Medical Officer to the place, where requiring the help of male doctors would be rare and the need for continuing a combined institution as at present would not be insistent. They are accordingly pleased to direct that the offer of Mr.Sayyid Kutty, be accepted, with thanks, and the endowment be received on deposit in the Government Treasury at once and the fact reported to Government. As it would be incorrect to call the hospital after the donor's father's name so long as the whole cost is not borne by the donor, a tablet may be put up mentioning the donation and words as may be decided by the Senior Surgeon in consultation with the Deputy Commissioner and the Government may be designated after the names of the donor's father and mother respectively.

4. The Senior Surgeon is requested to submit, very early, proposals for the utilisation of the endowment and for retransferring the women section of the General Hospital to the building

under reference. Plan and estimate for the provision of a Maternity Ward in connection with this Institution may be submitted, in consultation with the Chief Engineer, for the approval of Government.

6. The offer of a contribution of Rs.2,000/- for a Hindustani School made by Mr.Nagappa Setty may also be accepted if a New Hindustani Girls' School should be built within 3 years.

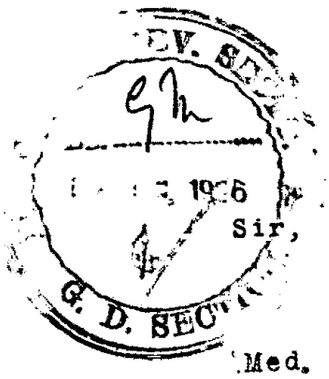
B A N G A L O R E.



Sir,

With reference to Government Order No. G. 10191-5/ Med. 119-25-5 dated the 8th June 1926, I have the honour to forward herewith a letter from Mr. Nagappa Setty in the matter of naming the Women's Hospital at Chickmagalur after his father.

I think his request has to be granted as the capital value of the buildings proposed to be utilised for the Hospital is only Rs. 20,183/- whereas he has actually promised Rs. 27,000/-. He has quoted two instances in support of his prayer, which he says are on all fours with his case.

As the sentence to which he refers " It would be incorrect to call the Hospital after the donor's father's name so long as the whole cost is not borne by the donor " really means that Government would have no objection to naming the Hospital after his father if he paid the cost of the building, I would recommend that the Hospital may be named after his father. In making the offer he had told me that he is giving the full value of the building plus Rs. 5,000/- for a ward to be named after his mother.

I enclose a copy of a D.O. Letter from the -

Executive

(61)

Executive Engineer, Kadur Division stating that the capital value of the building including the Out-houses occupied by the Midwives and Compounders is Rs. 20,185/-.

I shall recover Rs. 25,000/- from Mr. Nagappa Setty on hearing from you.

I request the favour of a very early reply.

I have the honour to be,

Sir,

Your most obedient servant,

S B Hebbar

Deputy Commissioner,
&
President,
Kadur District Board.

To The Deputy Commissioner
Kadur Dt
Chikmagalur

Sir,

I acknowledge with thanks Government order No. G. Ic19-6/ medl: II9-25-5 dated the 8th instant.

With reference to para 2 of the order, I beg to point out that as the capitalized cost of the building is less than the donation promised by me, I request you to recommend to Government that the Hospital may kindly be named after my father as proposed by me.

I believe the maternity at Hole-Narasepur and the out-patients dispensary attached to the Victoria Hospital at Bangalore have been named after the donor on their paying the value of the building.

As soon as I hear from the Government, I shall pay the amount.

I beg to remain
Yours faithfully
M. Venkatappa

To,

R.Ranga Rao Esq., B.A.,B.L.,

The Secretary to Government,

Medical & Agricultural Departments,

B A N G A L O R E.

Dear Sir,

I thank you very much for obtaining early orders of Government in the matter of Women & Childrens' Hospital at Chikmagalu

I have this day sent a reply pointing out that I have actually offered very much more than the capital value of the building which is proposed to be utilized for the location of the Hospital. As the Government have in effect say that they would have had no objection to Hospital being named after my father if I had paid the cost, and as I have paid more than the cost, I hope you will proceed The Government to grant my prayer.

Of course you are aware of the fact that The Holenarsipur Maternity and The attached out-patents' Dispensary to The Victoria Hospital in Bangalore are named after the donors on their paying the cost of the building.

I would have come in person but for being unavoidably detained on account of some personal inconvenience. I would request you to obtain early orders from Government in the matter.

Begging to be excused for the trouble.

I Remain,

Yours Sincerely,

M.L.Nagappasetty

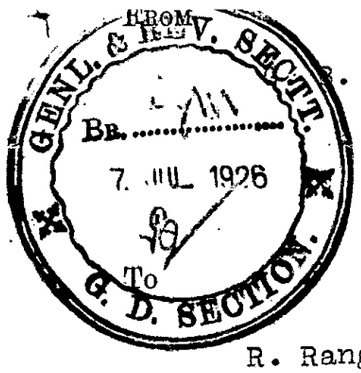
Dated 119-25-9

OFFICE OF THE DEPUTY COMMISSIONER,
KADUR DISTRICT.

Dated Chikmagalur, 3rd July *1926*



From
B. Heblikar, Esq, B.A., LL.B.,
Deputy Commissioner, President District Board,
Kadur District.

To
R. Ranga Rao, Esq, B.A., B.L.,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Medical & Agricultural Departments *Bangalore.*

SIR,

With reference to your letter No. C. 70/Medl. 11 9-25 dated the 29th June 1926, re: the Women's Hospital at Chickmagalur, I have the honor to state that Mr. Nagappa Setty has presented to me this day a cheque No. B. 014765 dated 3rd July 1926 on the Bank of Mysore, Bangalore, for a sum of Rupees Twenty Five Thousand, (Rs 25,000/-) which I have forwarded to the Comptroller to the Government of Mysore for encashment.

2. As the Government have accepted his terms, Mr. Nagappa Setty desires that the new hospital may be named after his father "Late M. Lachiasetty Hospital for Women and Children " and opened in the old Female Dispensary building immediately, a Maternity Ward being called after his mother " The Rukminiamma Maternity Ward ". I accordingly recommend that arrangements may be made to open the said Hospital as desired by the donor before the close of this month by re-transferring the necessary staff etc., from the present combined Hospital for duty at the former place. I think this can be accomplished without any difficulty, in view of the fact that no structural alterations to the building were made when the dispensary building was converted into Lady Medical Officer's quarters. I also request that a qualified Lady Sub-Assistant Surgeon may be posted for this Institution as per - -

(20)

Government order No. L. 2160-61/Med. 23-25-2 dated 18-9-25 at an early date, so that the new Hospital may begin work as early as possible. Copy of Mr. Nagappasetty's letter is herein enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

To, The Deputy Commissioner & The President
of the District Board, Kadur District
CHICKMAGALUR.

Sir,

As desired in your honor's Office memo No. L.B. 606/25-26 dated the 1st July 1926, forwarding letter No. C. 70/Med. 119-25 dated 29th June 1926 from the Secretary to Government, Medical and Agricultural Departments accepting my offer of Endowment and requesting me to pay up the sum of Rs. 25,000/- I beg to enclose Cheque No. B014765 on the Bank of Mysore Ltd., in favour of the Deputy Commissioner and President, District Board, Kadur District for Rs. 25,000/-(Twentyfive thousand).

I therefore request you to forward same and move the Government to direct that, " The M. LACHIASETTY HOSPITAL FOR WOMEN & CHILDREN " be opened in the old female dispensary forthwith and a maternity ward in the same hospital to be named after my mother as "THE RUKMINIAMMA MATERNITY WARD".

I understand that as no structural changes have been made in the building when it was converted into the L.M.O.'s quarters it is capable of being used as a hospital forthwith. All that is required is the appointment of a lady Sub Assistant Surgeon and the retransfer of staff of this institution.

Kindly acknowledge receipt of the cheque.

I beg to remain,
Sir,
Yours obediently,

M.L. Nagappasetty

Dear Sir,

In continuation of G.O. No. G.10191-b/ Medl. 119-25 dated 8th May 1926 accepting the endowment of Mr. L. Nagappa Setty of Chikmagalur on the conditions that the Women's Hospital should be kept as a separate institution from the men's and located at the present lady doctor's quarters, and that one of the lying-in wards of the institution ~~has to~~ should be named after his mother and stating, with reference to one of the conditions of Mr. Nagappa Setty, that it would be incorrect to call the hospital after the name of the donor's father, I am directed to state that on reconsideration, Government are inclined, in view of the generous nature of the endowment, to agree to Mr. Nagappa's request to allow the institution to be called after his father's name. Formal orders in this matter will be issued shortly.

Action may be kindly taken at once to shift the hospital to the new premises as already directed.

Yours sincerely,

19/7

Dr. Mahomed Usman, L.M.S.,
Senior Surgeon in Mysore.
